

## The Tel-A-Sale Trial Program

---

Looking for a service provider but you're not really sure where to go and not comfortable getting into a long term commitment right away?

Want to try *Tel-A-Sale* but don't want to go 'too far too fast'?

We understand!

That's why we came up with the *Tel-A-Sale* trial program.

Try the *Tel-A-Sale On-Hold Communication Service* for a few months, and if you like our service you can stick around!

As a matter of fact, you can try our service and we'll give you a discount for trying us out! Aren't we good sports??

Our trial program gives you the option of trying the *Tel-A-Sale* service for 4 months and only paying for 3 months.

So not only will you get to try the best on hold communication program available today....but you'll get to try it at a 25% discount.

Now that your interested, please understand the following.

Tel-A-Sale, Inc. has a 100% no strings policy. This means that our 'trial program' comes with no obligation. You can take advantage of the trial program whenever you like, and after the trial period, if you are not completely satisfied with the Tel-A-Sale service, return our equipment and we'll be on our way.

However, please understand the following;

- this is a prepaid program. The trial is completely prepaid;
- in addition to the program being completely prepaid, we require an equipment deposit. Your equipment deposit will be fully refunded upon meeting either of the following requirements:
  - equipment is returned to Tel-A-Sale, Inc.;
  - you sign a long term contract.
